4 Trading when in possession of unpublished price sensitive information

4.1 No insider shall trade in securities of the Company that are listed or proposed to be listed on a stock exchange when in possession of UPSI.

When a person who has traded in securities has been in possession of UPSI, his trades would be presumed to have been motivated by the knowledge and awareness of such information in his possession.

Provided that the insider may prove his innocence by demonstrating the circumstances including the following: –

(i) the transaction is an off-market inter-se transfer between insiders who were in possession of the same UPSI without being in breach of regulation 3.3 and both parties had made a conscious and informed trade decision;

Provided that such UPSI was not obtained under Regulation 3(3).

Provided further that such off-market trades shall be reported by the insiders to the company within two working days. Every company shall notify the particulars of such trades to the stock exchange on which the securities are listed within two trading days from receipt of the disclosure or from becoming aware of such information.

Board of Directors of the Company represented by its Managing Director is the approving authority in case of trades done by the Compliance Officer or his immediate relatives.

NOTE: This provision intends to give an option to persons who may be perpetually in possession of UPSI and enabling them to trade in securities in a compliant manner. This provision would enable the formulation of a trading plan by an insider to enable him to plan for trades to be executed in future. By doing so, the possession of UPSI when a trade under a trading plan is actually executed would not prohibit the execution of such trades as he had pre-decided even before the unpublished price sensitive information came into being.

5.2 Such trading plan shall:–

- (i) not entail commencement of trading on behalf of the insider earlier than One Hundred and Twenty calendar days from the public disclosure of the plan;
- (ii) not entail overlap of any period for which another trading plan is already in existence;
- (iii) set out following parameters for each trade to be executed:

- (i) either the value of trade to be effected or the number of securities to be traded;
- (ii) nature of the trade;
- (iii) either specific date or time period not exceeding five consecutive trading days;
- (iv) price limit, that is an upper price limit for a buy trade and a lower price limit for a sell trade, subject to the range as specified below:
 - a. for a buy trade: the upper price limit shall be between the closing price on the day before submission of the trading plan and upto twenty per cent higher than such closing price;
 - b. for a sell trade: the lower price limit shall be between the closing price on the day before submission of the trading plan and upto twenty per cent lower than such closing price.

Explanation:

1. While the parameters in sub-clauses (i), (ii) and (iii) shall be mandatorily mentioned for each trade, the parameter in sub-clause (iv) shall be optional.
2. The price limit in sub-clause (iv) shall be rounded off to the nearest numeral.
3. Insider may make adjustments, with the approval of the compliance officer, in the number of securities and price limit in the event of corporate actions related to bonus issue and stock split occurring.

- (iv) not entail trading in securities for market abuse.

5.3 The Compliance Officer/Board of Directors of the Company represented by its Managing Director as the case may be shall review the trading plan to assess whether the plan would have any potential for violation of these regulations and shall be entitled to seek such express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan.

Provided that pre-clearance of trades shall not be required for a trade executed as per an approved trading plan.

Provided further that trading window norms shall not be applicable for trades carried out in accordance with an approved trading plan.

5.4 The trading plan once approved shall be irrevocable and the insider shall mandatorily have to implement the plan, without being entitled to either execute any trade in the securities outside the scope of the trading plan or to deviate from it except due to permanent incapacity or bankruptcy or operation of law.

Provided that the implementation of the trading plan shall not be commenced if any UPSI in possession of the insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation

Provided further that if the insider has set a price limit for a trade under sub-clause (iv) of clause (v) of sub-regulation 2, the insider shall execute the trade only if the execution price of the security is within such limit. If price of the security is outside the price limit set by the insider, the trade shall not be executed.

Explanation:

In case of non-implementation (full/partial) of trading plan due to either reasons enumerated in sub-regulation 4 or failure of execution of trade due to inadequate liquidity in the scrip, the following procedure shall be adopted:

(i) The insider shall intimate non-implementation (full/partial) of trading plan to the compliance officer within two trading days of end of tenure of the trading plan with reasons thereof and supporting documents, if any.

(ii) Upon receipt of information from the insider, the compliance officer, shall place such information along with his recommendation to accept or reject the submissions of the insider, before the Audit Committee in the immediate next meeting. The Audit Committee shall decide whether such non-implementation (full/partial) was bona fide or not.

(iii) The decision of the Audit Committee shall be notified by the compliance officer on the same day to the stock exchanges on which the securities are listed.

(iv) In case the Audit Committee does not accept the submissions made by the insider, then the compliance officer shall take action as per the Code of Conduct.

5.5 The Compliance Officer shall approve or reject the trading plan within 2 trading days of receipt of the Trading Plan and notify the approved plan to the stock exchanges on which the securities are listed, on the day of approval.
